

GOOD PLAY AT OOLENOY

"Always in Trouble" is the attractive play, a three-act comedy, to be presented at the graded school building, by local talent, on Saturday night, July 2nd, at 8:00 o'clock. The girls and boys of this section hold an enviable reputation as entertainers. From the care which has been taken in selecting the cast and from the preparation which is being made to present this program an extraordinary entertainment is expected. The cast of characters is as follows:

Misery Moon—A Hooded Coon. Clyde Jones.
Gideon Blair—A Millionaire. Charles Dale.

Tom Riddle—As Slick as a Whistle. Parker Edens.

Hiram Tutt—An Awful Nut. Ryan Keith.

Patrick Ketter—A Ticket Seller. Ellerby Jones.

Samantha Shade—A Poor Old Maid. Montine Edens.

Rosebud Reece—Her Charming Niece. Addie Sutherland.

Paula Ma Leek—A Bolshevik. Daisy Martin.

Lula Pearle—A Jazz-time Girl. Mary Martin.

Mandy Brooks—A Frivolous Cook. Joe Sutherland.

Plan now to come. Get better acquainted with the people and enjoy the beauties of the most picturesque section of the county, in the shadows of the highest mountain points of our state. The section is proud of its school building, the best and the best equipped of any rural school building in the county. This building, the second of its kind to be erected (one having been destroyed by fire), stands as an evidence of the desire of this people for better advantages, opportunities and developments of its younger generation, an encouragement for better citizenship.

Again, plan to be here. A great pleasure will be yours and ours also. Miss Annie Roper is attending the Summer School for Teachers at Furman University, of Greenville.

Many friends and acquaintances of Dr. L. F. Crenshaw, formerly of this place, but for a number of years a resident of Greenville, will be interested to learn that he and his wife have moved to Charleston. He will be engaged there in the practice of his profession, dentistry.

Miss Jessie B. Edens is attending the Summer School for Teachers at Winthrop College.

Mrs. L. M. Rigdon, of Easley, is spending some time with her daughter, Mrs. T. J. Keith, whose little son has been dangerously ill.

The people of this section have many things to be thankful for besides the bracing air, the clear pure water and the beautiful scenery. Among which, by no means lightly considered, is our road—in dry weather, of course. Then it is as good as any road. Then when it rains the people, especially the traveling people, are extremely thankful that W. E. Hendrix, our busy lumber man, is engaged in a reliable side line. This is the job of pulling out the "mud" from the road. A couple of years ago the road was a work.

SUES FOR \$5,000 DAMAGES.

W. H. Haynes Suing R. A. Alexander—Copy of Complaint.

One of the largest suits for damages entered in Pickens county in recent years was entered in the clerk of court's office Tuesday by attorneys for W. H. Haynes, who is suing Robert A. Alexander for \$5,000 damages claimed as a result of the alleged shooting of Mr. Haynes by Mr. Alexander on June 8. Both parties live in the Keowee side of the county and are well known. McSwain & Craig are attorneys for the plaintiff and the following is a copy of the complaint filed:

Complaint.

State of South Carolina,
County of Pickens.

In Court of Common Pleas.
W. H. Haynes, Plaintiff,

vs.
Robert A. Alexander, Defendant.

The plaintiff complaining of the defendant alleges:

I. That the defendant resides in Pickens county, South Carolina.

II.

That on or about the eighth day of June, 1921, in Pickens county, about two miles north of old Pickens, while the plaintiff was quietly and peaceably harvesting oats upon land which he had rented for and during the year of 1921, the defendant being there for an unlawful purpose, to wit, for the purpose of committing an assault and battery with intent to kill upon the person of the plaintiff, did willfully, wantonly, maliciously and unlawfully and without any cause or provocation whatsoever, did shoot with shotgun the plaintiff herein, several of the shot from the gun of the defendant striking the plaintiff on the left side of the face, left side and left leg; rendering the plaintiff sick and shocking his nervous system and causing him to suffer great mental and bodily pain and anguish, and preventing him from attending to his usual farm work and general affairs; that on account of the wounds received by this plaintiff from the willful, wanton and malicious and unlawful acts of the defendant, the plaintiff has been forced to pay and expend a large sum of money for medical aid and attention.

III.

That on account of the willful, wanton, malicious and unlawful acts of the defendant, the plaintiff has been caused to suffer wounded feelings, humiliation, degradation, disgrace and great mental suffering as the proximate and natural result of the assault and battery with intent to kill upon this plaintiff by the defendant; and that some of the shots, which came from the gun in the hands of the defendant directed at this plaintiff are still in the left side of the plaintiff and will hereafter cause the plaintiff continual anxiety, pain, suffering and humiliation.

IV.

That by reason of the willful, wanton, malicious and unlawful acts and deeds which were committed by the defendant in a high-handed manner from ambush the plaintiff has been damaged in the full and just sum of Five Thousand Dollars.

Wherefore, plaintiff demands judgment against the defendant in the sum of five thousand dollars and all costs of this action.

LEE G. HOLLEMAN, BANKER, COMMITTS SUICIDE.

Prominent Banker of Anderson Takes Own Life.

Anderson, June 22.—Lee G. Holleman, for the past thirteen years president of the Peoples Bank, took his own life shortly after 4 o'clock Wednesday afternoon when he walked into an unused garage on West Earle street and fired a 32 calibre bullet through his head. He was 49 years old.

The exact cause of the suicide of Mr. Holleman, who was a prominent figure in financial centers of the city and the state, has not been determined. A note left to his wife was not made public by the coroner, who said that it contained only a few personal directions. Written across the envelope which contained the note were the words: "For my dear wife. And may the great God take care of her and help her to forgive me for all the trouble I am causing."

Directors of the Peoples Bank were waiting in their chamber for Mr. Holleman to arrive in order that a meeting might be held when news of the suicide reached them. The directors announced that the bank will be closed Thursday out of respect to Mr. Holleman. The vice president of the institution, E. P. Vandiver, issued a statement in which he said that the bank absolutely is solvent, and that there is no cause for any who do business with it to have anxiety in this connection.

The car was coming from Clinton to Pickens and going at a good rate of speed when it ran into a barricade which had been placed across the road in order to stop travel, as the road was new and impassable a little further on. Rain, which was beating on the windshield, obscured the driver's view and he did not see the barricade until within a few feet of it. Mrs. John L. Thornley suffered several cuts and bruises on her face. Mrs. Thornley's daughter and Miss Grace Porter were thrown from the car and considerably bruised, while Mr. Thornley and Mr. Copeland, the driver, were uninjured. The car was badly damaged.
